

Amalgamation update;

Dear members,

As you are all aware Kiama Golf Club had held preliminary talks with Kiama Bowling Club with a view to the clubs amalgamating. As outlined in my previous letter to the members regarding this subject, we felt there was an excellent opportunity for the clubs to join forces for a better, more financially sustainable future for both clubs. However the Golf Club Board has been informed by the Bowling Club Board that we have not been successful in moving into the next round of negotiations.

While our door remains open to future talks, it is at this point that we bow out of the running and wish the Bowling Club Board the best of luck in making a good decision for their members and the community.

For Golf Club members this means there will be no more activity in this direction in the foreseeable future.

I thank you for your patience and interest in this project and look forward to seeing you around the clubhouse soon.

Regards
David Rootham
