## ETIQUETTE OF GOLF

1. The player on the lowest handicap shall be responsible for the proper observance of the etiquette of golf. If two or more players are equally handicapped, they shall share responsibility.
2. No one should move, talk, stand close to, or directly behind the ball or the hole when the player is addressing the ball or making a stroke. To speed up play, the honour may be taken by the first player ready to hit or preferably shorter hitters may play first. No player should play until players in front are out of range.
3. Slow play is selfish play. Be ready to play when it is your shot and walk quickly between shots.
4. Your group should keep up with the group in front. If your group falls more than a hole behind, or you are searching for a lost ball, you should call the players behind to play through.
5. Always enter bunkers at the lowest point. Some bunkers at Kiama have an entry apron. Before leaving a bunker, players should carefully rake and repair the bunker. Rakes should be left away from the lip of the bunker aligned with the direction of play.
6. Players must carry a sand bucket and ensure divot holes are repaired.
7. Players must ensure that when dropping clubs or the flagstick, no damage is done to the putting green. Players & caddies should avoid damage by standing too close to the hole

in attending the flagstick. The flagstick should be properly replaced in the hole. Spike & ball plug marks must be repaired before leaving the green.

8. To protect greens, their surrounds & tees, buggies must be kept to pathways where available.
9. When the result of a hole has been determined, players should immediately leave the putting green. Marking of cards on greens or practising putting contributes to slow play. Player's buggies should not be left in front of the green but left to the side or near to the next tee.
10. Phones must be always on silent.

## CONDITIONS OF PLAY

### LOCAL RULES

Local rules applying to all competitions are posted on the Board adjacent to the 1<sup>st</sup> tee and available through the MiScore App under "Local Rules" or on the back of your scorecard.

### COMPETITIONS

The Match Committee reserves the right to alter the programs, the method of play and the handicap divisions at any time. On the day of a competition, the names & times on the starting sheet become the time & order of starting by the committee. Players unable to attend or be punctual must notify the starter in advance. In Stableford or Par events, always pick up when you are no longer able to score on a hole.

### MARKING CARDS

All competition cards should be returned for record purposes. If incomplete, "NCR" should be written clearly on the card. A card marked "NCR" does not necessarily earn the player a handicap revision. Non-return of a card may be deemed as intent to protect your handicap. Competitors are responsible for checking, signing & returning their cards within 10 minutes of completion of rounds. It is the player's responsibility to ensure that the correct handicap is recorded on the card. Players must record the number of strokes taken on each hole by each player, as well as placing a cross in the box for the players score.

The MiScore App is also available for use when scoring. The conditions stated above apply.

### MULTI-ROUND EVENTS

Players in multi-round events or "qualifying" match play events **MUST** indicate if they wish to or are available to continue playing in later rounds by informing proshop staff.

### MATCH PLAY

A schedule of times for completion of matches and any special points concerning the conduct of play will be placed on the notice board outside the Pro Shop prior to the qualifying round of a Match Play event.

### PROTESTS

A protest in connection with any competition or match shall be made to the Committee immediately upon completion of such competition. **All protests must be submitted in writing.**

### TIME SHEETS

Time Sheets are used for all events and can be accessed from the Member Portal or Pro Shop Kiosk.

No member is allowed to place more than four (4) names on the Timesheet.

Care should be taken by players when making alterations to their own place on the Time Sheet. No alteration concerning another player is to be made without their prior consent.

Before or on the day of the competition, please notify the Pro-Shop if you are not able to make the booked time.

Players should report to the starter 15 minutes before the indicated time.  
Golf staff and/or men's and women's captains will determine the final order of tee off.  
In Team Events, if you have to withdraw your name from the time sheet, you should notify the other players and attempt to find a replacement.

## **TRANSPORT ON THE COURSE**

Any member or visitor who wishes to use their own transport on the course must adhere to the process and procedure set out in our 'Private Golf Cart Policy'. A copy of this policy is available from reception or proshop; please contact the club for details or for a copy.

## **PRACTICE ON KIAMA GOLF COURSE**

Guidelines for practice on Kiama Golf Course are:

Practice range and chipping area are for the use of members only. Members are not permitted to bring guest into these areas.

### **Notify the Pro Shop**

Whether practicing on the course or practice range the Pro Shop must be notified for Insurance purposes. When playing socially your name must be on the timesheet.

### **Safety on Practice Range and Putting Green**

Players should be aware of others when using the practice facilities.

Be sure that other players are out of range.

No Drivers to be used on the practice range.

On the practice range all balls must be hit from the South to North end only.

Do not interfere with others on the putting green.

No bunker shots are to be played to the green while occupied by other players.

### **Consideration for Others**

When playing a practice round or socially only 2 balls may be used.

Players must always consider others on the course and the range.

It is a player's responsibility not to hold up another player on the course.

Mobile phones must be on silent at all times.

### **Care of the Course**

Before leaving a bunker, players must carefully rake the bunker.

Replace the rake in the bunker facing the direction of play.

Repair all divots, ball marks or damage by shoes on fairways and greens.

Replace the flag stick with care.

Do not use the head of the club to remove ball from hole.

Local notices regulating the movement of golf carts should be strictly observed.

### **Failure to Observe Etiquette**

If a player consistently disregards these guidelines the Match Committee will consider taking disciplinary action against the offending player. In the case of a serious breach the Committee may restrict the use of the course by the player concerned.

## **APPLICATION OF HANDICAPS TO DIFFERENT COMPETITIONS**

Each of the other three players is allowed the full amount of the resulting handicap.

The Match Play index is used to determine the holes on which handicap strokes are taken.

## **COUNTBACK SYSTEM**

For **tied scores in 18 hole competitions**, the following method is used:

(a) The best net score over the last 9 holes.

Should there still be a tie:

(b) The best net score over the last 6 holes.

Should there still be a tie:

(c) The best net score over the last 3 holes.

Should there still be a tie:

(d) Count back hole by hole on net scores from the 18th hole.

For **tied scores in 27, 36, 54 and 72 hole competitions**, the following method is used:

(a) The best net score over the last 18 holes.

Should there still be a tie countback as above.

For **tied scores in Championship scratch events**:

A three-hole playoff, using holes 1, 17 and 18 will be played with the player with the lowest total scratch score being the winner. If the scores are still even, play will continue over those three holes in a "sudden death" format.

For **tied matches in Matchplay events**:

In the event of a tie after 18 holes the match will be decided by sudden death commencing from the 1<sup>st</sup> hole. Please notify Pro Shop staff to facilitate an immediate tee time.

## **4 BALL HANDICAPPING**

## **VISITORS**

Visitors with “lifestyle” or “country” membership will only be permitted to play 5 games at Kiama Golf Club in the 12-month calendar period, January to December.

These signals will apply:

**Discontinue Play Immediately:** 1 prolonged note of the siren  
(Dangerous Situation)

**Resume Play:** 2 short notes of the siren, repeated

If the golf course is deemed unplayable to the members and the public, they are asked to mark their ball and take cover at the nearest appropriate refuge.

A decision will be made whether to continue, suspend or cancel play for the day, after evaluating the condition of the course and the projected incoming weather on the day.

## **TROPHIES**

1. Trophy vouchers will be credited to a golfing member’s club account.
2. Thursday pro comp winnings credited to the pro shop account. Pro shop credits expire after 150 days. Pro shop credits are non-transferable for member’s club account.
