Trevor Bell Memorial Shield

Kiama is top of the leaderboard after hosting the most recent round held on June 16. Only 6 points separate the top four teams. The Links Shell Cove is a close second on the leaderboard. Scott Clare posted the best score for Kiama. Many positive comments were made by visiting players with regard to the condition of the course, the organisation and hospitality. A huge well done to all involved. The next game is scheduled to be played at The Links Shell Cove on July 14.

Colliding Golf Balls - Scenario 2

When one ball is played from off the green and one from on the green and they collide when they are in motion, the ball played from off the green should be played as it lies for the next shot. There is no penalty and if the ball is deflected into the hole it is deemed to be holed. However, the ball that is played from on the putting green must be replayed from the previous spot, there is no penalty and the original stroke does not count. A deflection into hole still results in a replay. i.e. the ball has not been holed.
